

English B Oral Presentation Critique

Name: _____

Listen to the recording of your last Oral Presentation you were sent and then critically and carefully complete the following tasks. Refer to your guidelines and the rubric.

1. **How well** did you brainstorm and prepare notes during the supervised preparation period? Did you find the notes you made helped you to present clearly and in an organized way?

2. During your presentation did you **follow all the steps** well? (state your name and candidate number, identify the photo, map your presentation and have effective transitions between your introduction, development and conclusion?)

3. Did you **describe** the photograph well?

4. Did you **explain the caption** and then **make clear your opinion** about an aspect of the photo?

5. Did you end with an **interesting conclusion** that reinforced your opinion?

6. Were you able to **respond easily to questions** and how **accurate was your grammar** and **pronunciation**?

7 During the discussion were you able to give **clear, detailed answers**. Did you show an **interest** in the discussion? Did you speak without **hesitating** too much?

Looking Ahead

What will you **focus on** during your next practice? _____
