

IBH ENGLISH B

INTRODUCTION TO THE ORAL PRESENTATION

- 20% of course marks
- linked to the option subjects
- in two parts

FORMAT

Supervised Preparation	You are given an unseen photograph with a caption or title. You have time to analyze the picture and prepare your presentation. You may write approximately 10 short, bullet point notes	15 minutes
Part 1: Presentation	First, describe the photograph, then relate it to the option and Anglophone culture. Do not read your notes as they are for reference only.	3-4 minutes
Part 2: Discussion	You will discuss your presentation with an examiner. The examiner may introduce issues from your other option topic if this contributes to a better discussion.	5-6 minutes

PREPARATION

Practice makes perfect, so the more you use the process suggested below, and practice it with a partner, the better you should be at oral presentation. Remember, your oral presentation is used by IB to moderate the overall oral marks awarded and oral assessments contribute 30% of your final mark.

THE PROCESS

Preparation	<p><u>Analysis:</u></p> <ul style="list-style-type: none">• where is the setting?• what is happening and is there an issue or main idea?• who is involved?• why are the people behaving this way?• how does the photograph relate to the topic ? <p><u>Note Making</u></p> <p>Set out your notes in a way that helps you organize your presentation</p> <p><i>Example:</i></p> <p>1. introduce and map your presentation</p> <ul style="list-style-type: none">• state your name and candidate number• identify what your photograph is about• map your presentation <p>2. body</p> <ul style="list-style-type: none">• describe the photograph• explain the caption and how it relates to the photograph• relate the photograph to the topic and express an opinion <p>3. conclusion</p> <ul style="list-style-type: none">• sum up the photograph and your opinion
--------------------	---

Presentation	<p>Present in an organized way. This will happen automatically if you have</p> <ul style="list-style-type: none"> • organized your notes effectively • map your presentation • describe the photograph • comment on the caption • relate the photograph to the topic and communicate an opinion
Discussion	<p>Interact with your examiner by:</p> <ul style="list-style-type: none"> • responding in detail with agreement or disagreement • introducing a new idea or changing the direction of the discussion • using eye contact and body language <p>Expand your responses by:</p> <ul style="list-style-type: none"> • giving examples • using personal anecdotes • referring to things you have read, seen, discussed with others • using current events • making brief comparisons with your own culture

APPLICATION

- You will be shown a photograph about your current option topic.
- You have 15 minutes **to make organized bullet point notes** as if you were presenting on this photograph. Remember not more than **10 points**.
- Now **share your notes** with students at the table and **discuss who** has the best notes and **why**
- Finally work in your group to **prepare a model** set of notes
- Someone needs to **type up** the notes so they can be shared with the class.
