

IBH EXAM REASONED ARGUMENT PRACTICE

NAME: _____

In your examination you have a 150-250 word **reasoned argument** to write. You should use a **process writing approach** to produce your reasoned argument, involving:

- active task analysis
- creative brainstorming and systematic planning
- writing
- proof reading

PRACTICE: Topic: Health

Based on the stimulus, give a **personal response** and **justify** it. Choose any text type you have studied in class. Write 150 to 250 words.

"Personal responsibility is crucial - but people can be helped to choose the healthier option - especially when it comes to food." Professor Alan Maryon-Davis, President of the Faculty of Public Health

1.1 Analyze the topic by paraphrasing the speakers views

The speaker believes that _____ but _____

1.2 Choose a text type suitable for presenting a **reasoned argument** and justify its choice.

I have chosen to write a _____ because _____

B Format

Based on the text type you have chosen, complete the missing information.

Text Type Features	Details
register	
organization	I will use the following organizational techniques:
language techniques	I will use the following language techniques to make my argument clear and convincing:

Brainstorm and Plan

Use a simple star diagram to brainstorm and plan your answer. Remember to draw a **circle** so that ideas go inside and examples outside of it. Only use **key words**, do not write whole sentences.
